

CURRICULUM VITAE

1. Education Attainments:

PhD in Research Methodology of Prince of Songkla University, Pattani, in 2009

2. Work, Position and Address:

2.1 **Occupation:** Lecturer in statistics

2.2 **Date of enter:** January 1, 2006

2.3 **Present position:** Assistant Professor,
Vice Dean, Faculty of Science and Technology

2.4 **Address:**

Department of Mathematics and Computer Science,
Faculty of Science and Technology,
Prince of Songkla University, Pattani Campus
Tel/Fax: 0066-73312-179
E-mail: lapirade@bunga.pn.psu.ac.th

2.5 **Specialist:** Statistical application for health and environmental science.

3. Professional Experiences:

- 2008. Workshop on Comparative Research between Thailand and Vietnam, in Vietnam, 23 - 29 January 2008 for 7 days
- 2009 Participant in exchange program of the Fredskorpset Asia Health Research Network, April 2009 - February 2010 at Sekwa Eye Hospital, Beijing, China.
- 2010 A resource person for the “training workshop on analysis of epidemiology data by using R” at Center for Research Training and International Relation, Nepal, 22nd – 29th November 2010.
- 2011 Invited by the Beijing Tongren Eye Center, Beijing Tongren Hospital, Capital Medical University for giving the statistical analysis by using R course, March 16th to April 30th 2011.

4. International Conference Presentations:

- 2008. **Lim, A**, Tongkumchum, P and Choonpradub, C. Variation in length of hospital stay for inpatients dying in southern Thailand. International Conference on Health Promotion and Quality Health Services (IHPQS) 19 – 21 November 2008. Bangkok.Data”, 8-9 December 2008.
- 2007. **Lim, A**, Choonpradub, C, Tongkumchum, P. Forecasting hospital infectious disease mortality among patients aged 40 and over in Southern Thailand. Health Science Proceedings 7th National Graduate Research Conference 4 – 5th May 2007. Surattani. pp.164 – 169.
- 2012 **Lim, A**. Factors influencing achievement in community development of power plant operation programs: Case study power plant in Thailand. 6th Annual International Conference on Sociology 7-10 May 2012 Metropolitan hotel. Athens Institute for Education and Research, Athens, Greece.

2012 **Lim, A.** and Tongkumchum P. Democratic confidence intervals, with application to health & environmental studies in southern Thailand presented at Beijing Tongren Eye Center 10th Anniversary Symposium 21st – 23rd September 2012 at Beijing International Hote. Beijing Tongren Eye Center, Beijing Tongren Hospital, Capital Medical University.

5. Journal Publications (in the past 5 years)

- Viriyachaiyo, V. and **Lim, A.** Tourists' attitudes towards ban on smoking in air conditioned hotel lobbies in Thailand. *Tobacco Control* 2009, 18:238-240.
